

Respected Professor,

I hope you are having a good week.

As part of the organising committee for Viwentiaa 2026, I am writing to provide you with a brief update on our progress, completed tasks, and upcoming priorities for the tech fest.

#### Completed Tasks:

Event Schedule & Themes: Finalised the list of core technical workshops, hackathons, and guest speaker sessions.

Sponsorship & Partnerships: Secured agreements with primary title sponsors.

Venue & Equipment Allocations: Reserved the main auditorium, lab spaces, and audiovisual equipment with campus administration.

Publicity: Launched initial social media campaigns and distributed posters across campus.

#### Work in Progress / Next Steps:

Guest Hospitality & Logistics: Finalising travel and accommodation details for visiting speakers and judges.

Participant Registrations: Monitoring online portal sign-ups and setting up the entry/help desk schedules.

Budget Finalisation: Consolidating minor vendor expenses to submit the final budget sheet for your review.

We are on track to complete the remaining tasks by 1/10/2026. Please let me know if you would like to review any specific area in detail or hold a brief alignment meeting later this week.

Thank you for your continued guidance.

Best regards,

G.Yashasvi
